

WILLIAM COGGINS

Engineering (Honours) / Information Technology student at QUT

will@willcoggins.com | Salisbury, QLD | github.com/srcoggin | linkedin.com/in/william-coggins-7a1866258

SUMMARY

Motivated and adaptable with experience spanning customer support, sales, leadership, and operations across IT environments. Second Year Bachelor of Engineering (Honours)/Bachelor of Information Technology undergraduate at QUT. With a proven ability to thrive under pressure, quickly adapt to new roles, and balance responsibilities with professionalism and enthusiasm. I bring a strong interest in technology and electronics alongside a commitment to continuous learning and growth. Reliable, approachable, and eager to contribute to a dynamic workplace while developing long-term career skills.

CAREER HISTORY

Online Assistant Department Manager CURRENT

Woolworths Group

April 2026 – Present

Managing daily e-commerce fulfilment operations within a high-volume retail environment. Overseeing a team of 12 personal shoppers and other department staff to ensure KPIs/targets are hit daily, weekly, and quarterly time frames. This role involves resolving escalated customer inquiries, troubleshooting logistical bottlenecks, and coordinating directly with partners to benefit the customer experience. I've gained valuable experience in team leadership, operational logistics and rapid problem solving.

Meta Sales and Marketing Specialist

Retail Safari

April 2025 – April 2026

Working across key retail partners including JB Hi-Fi and Harvey Norman to drive customer engagement, sales, staff development and troubleshooting IDUs. Delivering in store demonstrations of Meta Quest VR headsets and Ray-Ban Meta smart glasses for training purposes to Retail Sales Associates (RSAs). Building strong relationships with RSAs by providing tailored training, role-playing scenarios, and enrolling team members in the Meta Sales Academy. Acting as the “go to” product expert for RSAs and customers in store, supporting new product launches at several large-scale events and representing Meta with Retail Safari during key partner events such as JB Hi-Fi tech roadshow. I Gained valuable experience in customer engagement, sales growth, as well as technical and customer support.

During my time in this role, I also undertook a Meta Marketing Managing (MMM) Relief role for a South Brisbane – Tweed Heads territory during key retail periods and during times where the active MMM was unavailable. This role focused primarily on relationship building, IDU/Fixture maintenance and RSA product development. In this role I travelled to a wide range of stores across the territory (4 stores per day) engaging with staff and customers, providing IDU health checkups and RSA product training. This relief position totaled 2 months across my time with Retail Safari

Sales Rep

JB Hi-Fi Bundaberg

October 2024 – February 2025

Gained valuable experience in retail sales and operations while working across multiple departments, including Games and IT. Assisted customers at the counter, processed sales transactions, and conducted initial repair inspections before forwarding items for further servicing. Additionally, worked in the back-of-house operations (“Ops”), unpacking and

sorting product orders, applying price/SKU labels, and ensuring efficient stock management. Developed strong customer service, technical assessment, and inventory handling skills in a fast-paced retail environment.

Crew Coach

McDonald's Bargara

April 2021 – April 2024

Progressed from a general kitchen role to a leadership position as a Crew Coach, responsible for training new team members and ensuring they understood job responsibilities and company values. Took on light managerial duties, including supervising operations during peak hours when the floor manager was unavailable. Assisted with store opening and closing procedures, ensuring a clean and customer-ready environment. Thrived in a fast-paced, high-pressure setting, developing strong leadership, problem-solving, and teamwork skills.
